

Move Out Cleaning Checklist

PLEASE USE THIS CHECKLIST TO COMPLETE YOUR FINAL CLEANING. EACH ITEM MUST BE PROPERLY CLEANED TO ENSURE A SUCCESSFUL MOVE OUT.

Please note:

- If your fridge has a water filter you must show a receipt and proof of filter change at time of move-out. You can choose to have us change the filter, but it will be deducted from the security deposit. Please send a receipt for the filter.
- If you have a dishwasher, washer, or dryer provided in your unit you are required to run a cleaning cycle with a disinfector tablet. You can purchase the cleaning tablets online. Please send a picture of this being placed in the appliance with the receipt for the product, or we will complete, and the cost will be deducted from the security deposit.
- If you have an animal in the unit per the lease agreement the carpets must be professionally shampooed. Receipt of service must be presented, or we will schedule, and the cost will be deducted from the security deposit.
- Professional cleaning is available if you wish to simply move out and not worry about the rest. Pricing depends on unit size. Inquire with us about pricing and scheduling.

Additional Comments	

Most commonly missed areas

-Inside and outside of washer and dryer. You must vacuum out the dryer vent and clean rubber ring in washing machine.

-Inside of oven and oven drawer

-Ceiling fans must be wiped

-Window Seals

Recommended Cleaning Supplies
